

Kate Gardiner suggestions:

Sibson - Telephone Box – Only original red telephone box in the Parish. Important community facility as a free book exchange and notice board advertising local events.

Upton - Pumps – \_ Do you know the history

Sheepy Magna School sign – Shows the history of a primary school within the Parish

Sheepy Magna - Water trough & Pump – No idea why it is important. Maybe someone else can provide the history.

John Ward suggestions:

- Telephone box at Sibson  
Any others in the parish?
- Sheepy Magna water pump and trough, recently resurrected by locals on behalf of the Parish Council
