

NP SG report to PC May 2022NP SG report to PC May 2022

- Neighbourhood Plan upgrade
 - NP upgrade project completed, and the plan was Made by HBBC on the 25th April 2022, and published on the HBBC website as a 'screen' version only with lower resolution images to facilitate ease and speed of access
 - Plan document was dated May 2022 on the title page when the final HBBC Accessibility requirements had been incorporated
 - Both the screen version and the full high resolution version, better for printing, together with HBBC Made notification notice are available on the Sheepy Parish NP website; links also from the PC website announcement

- Local Plan Regulation 19 consultation by HBBC.
 - No further updates

FINANCE

- Overspend of £234 including VAT with Planet-X agreed by the PC chair to finalise HBBC Accessibility requirements in the Made NP document

NEXT STEPS

- Tidy up outstanding non-urgent, legacy actions with the steering group as time permits around the holiday season
- Monitor progress of the HBBC Local Plan for any potential impact for the NP or Parish
